

Sample Transfer Plan

Area of Focus: **Sociology** Associate in Arts (AA) transfer degree

This Sample Transfer Plan is for students intending to major in Sociology after transfer, but who have not selected a transfer institution. Students who have a specific transfer school in mind should work with BHC and transfer school advisors to ensure the transfer school's requirements are met.

Sociologists study the behavior of people within social groups such as families, organizations and communities. They analyze the patterns of social, political, religious and business organizations and the influence these groups have on a total society. Sociologists also conduct research to discover the causes of social problems such as crime, poverty and racism as well as trends in education, immigration, employment and family function.

Baccalaureate graduates in sociology find employment in a wide range of careers including research, community development, criminal justice, health services, education, policy development, public relations, and social services. A baccalaureate degree in Sociology also provides a foundation for pursuit of graduate degrees in Sociology, Social Work, Counseling or related fields.

Degree Timeframe:

- Students who complete an average of 15 college-level credits in four consecutive fall and spring semesters could complete the degree in two years. Students determine their own pace and progress and should consider their work and personal commitments, course difficulty, course pre-requisites, and possible need for additional courses determined by placement assessments. Advisors are available to discuss credit load and schedules appropriate for student goals and circumstances.
- Students transferring before completing the associate degree should discuss [Reverse Transfer](#) with their BHC advisor. Black Hawk College will evaluate your college or university work to determine if those credits will fulfill the remaining requirements of the associate’s degree.

Advising Notes:

- See the current [BHC Catalog](#) for all IAI course codes, course descriptions, pre-requisite information, and complete graduation requirements to earn the degree. The area of focus is not stated on student transcripts. This guide is not a substitute for advising. All students are encouraged to seek advising each semester. Advising is required prior to registering for students who have earned 15 or fewer college-level credits.
- This guide is not a substitute for advising. All students are encouraged to connect with their assigned BHC advisor each semester.
